Dear [REDACTED]

We contacted you by phone about your accident of [REDACTED] on May 4, 1972. 25X1A  
On the afternoon of May 4, 1972, I personally discussed the coverage aspects of the accident with you at your home. At that time I delivered a copy of our "Request for Claim Service and Non-Waiver of Rights". You verbally agreed to the matters in this document but did not want to sign the agreement.

The essence of the situation is that if you were in the course of your employment for the Federal Government, the Federal Tort Claims Act will apply. This federal law, in general, eliminates personal legal liability on your part and substitutes the Federal Government. A ~~waiver~~ exclusion in your policy with our company ~~states~~ states that the policy does not apply if the Federal Tort Claims Act applies.

As per our agreement, we will continue to investigate the liability aspects of the accident under the non-waiver agreement until such time as it is determined whether or not on the facts and the law the Federal Government will handle the liability claims arising out of your accident.

I referred you to our company attorney for this area in the event you wanted further information on this aspect. This attorney, Edward Layne, 255 North Washington Street, Rockville, Maryland-telephone number 762-6656, will be glad to give you any further advise on the civil aspects of this matter which you desire.

In any event we will handle the collision coverage on your 1968 Triumph just as soon as practical.

I attach a copy of our Request for Claim Service and Non-Waiver of Rights which is made a part of this letter by reference.

Very truly yours,
